## Conditions of the approval

THAT Barcaldine Regional Council approves, by means of delegated authority, the application for a Development Permit for Material Change of Use for Storage Facility (Vehicle Storage) and Industry (Mechanical Works and Salvaging) on land at 17 Jacaranda Road, Barcaldine, formally described as Lot 10 on RP606109, subject to the following conditions:

### 1.0 APPROVED PLANS AND DOCUMENTS

1.1 The approved development must be completed and maintained generally in accordance with the approved plans and documents, except where amended by the conditions of this permit:

Plan Title	Plan/Document No.	Issue No.	Plan Date	Prepared by
Proposed New Shed 10 Jacaranda Road (Site Plan)	-	-	-	Noel Bashford
Building Elevations	D14455	1 of 1	16/02/2012	Titan Enterprise QLD Pty Ltd

1.2 Where there is any conflict between the conditions of this approval and the details shown on the approved plans and documents, the conditions of approval must prevail.

1.3 The use of the premises is limited to storage facility for trucks and vehicles and industry for mechanical works and salvaging, including ancillary sales, office, outdoor storage and vehicle parking where not exceeding 75% of the site area. The approved use must be conducted generally in accordance with the facts and circumstances as set out in the application submitted to Council.

*Advisory note: all parts of the development must be acted on prior to the currency period ending to avoid the development approval lapsing. If any part of the development application has not been acted on it is recommended that a request be made to Council to extend the currency period of the approval to allow for the development to be completed.*

1.4 A copy of this decision notice and stamped approved plans/drawings must be submitted with any building development application relating to or arising from this development approval.

1.5 A copy of this decision notice and stamped approved plans/drawings must be retained on site at all times. This decision notice must be read in conjunction with the stamped approved plans to ensure consistency in construction, establishment and maintenance of approved works.

## **2.0 AMENDED APPROVED PLANS**

- 2.1 Submit to Council for assessment and obtain an approval from the Chief Executive Officer or delegate for an amended plan of development prior to any approval of building or operational works showing the following information:
- a) Existing driveway crossovers to Jacaranda Road;
  - b) Landscape areas designed to contribute to the built-form and streetscape; and
  - c) Hardstand areas including car parking and vehicle manoeuvring in accordance with Condition 1.3 and Condition 5.0.

## **3.0 COMPLIANCE TIMING**

- 3.1 Comply with all conditions of this development approval at no cost to Council and prior to the Final Inspection Certificate by a Building Certifier or commencement of the use, whichever comes first unless otherwise stated in a specific condition.

## **4.0 AMENITY – HOURS OF OPERATION**

- 4.1 Undertake the activities associated with the construction between the hours of 6:30am and 6:30pm, Monday to Saturday. Construction works are not permitted to be carried out on Sundays or public holidays without the prior written approval of the Chief Executive Officer.
- 4.2 Ensure loading, unloading and delivery activities associated with the operation of the use only occur between the hours of 7:00am and 6:00pm, Monday to Saturday. Loading, unloading and delivery activities are not permitted to be carried out on Sundays or public holidays without prior approval of the Chief Executive Officer.

## **5.0 ACCESS AND PARKING WORKS**

- 5.1 The existing driveway crossovers shall be retained on the premises from Jacaranda Road. The crossovers must be upgraded if required generally in accordance with *Schedule 1, Division 2: Standards for Roads, Carparking, Manoeuvring Areas and Access, Section 2.3(1)* of the Barcaldine Shire Planning Scheme, or to other accepted and Council endorsed engineering standards.
- 5.2 A minimum of two car parking spaces on the premises must be provided to support the demands of the use. Car parking must be provided generally in accordance with Council's access and parking standards, and the approved plans.

## **6.0 EASEMENT**

- 6.1 Lodge for registration at the office of the Land Registry an access and service easement having a minimum width of 10 metres burdening Lot 10 on RP606109 along the southern boundary, to the benefit of Council.

*Advisory note: documentation in relation to any easement proposed to be registered to the benefit of Council is required to be prepared and carried out by Council's solicitors at the developer's expense*

## **7.0 SITE WORKS**

- 7.1 Site works must be constructed such that they do not, at any time, in any way restrict, impair or change the natural flow of runoff water, or cause a nuisance or worsening to adjoining properties or infrastructure.

## **8.0 STORMWATER MANAGEMENT**

- 8.1 All stormwater must drain to a demonstrated lawful point of discharge and must not adversely affect surrounding land or infrastructure in comparison to the pre-development conditions, including but not limited to blocking, altering or diverting existing stormwater runoff patterns or having the potential to cause damage to other infrastructure.

- 8.2 The design and construction criteria included in the *Queensland Urban Drainage Manual (QDUM)* and *Schedule 1, Division 5: Standards for Stormwater Drainage, Section 5.1* of the Barcaldine Shire Planning Scheme 2006 are met.

## **9.0 ENVIRONMENTAL HEALTH**

- 9.1 Any lighting devices associated with the development, such as sensory lighting, must be positioned on the development site and shielded so as not to cause glare or other nuisance to nearby residents and motorists. Night lighting must be designed, constructed and operated in accordance with Australian Standard AS4282 "Control of the obtrusive effects of outdoor lighting".

- 9.2 Noise, light, dust or air emissions from the activity must not cause environmental harm or environmental nuisance.

- 9.3 In accordance with the Environmental Protection (Waste Management) Regulations, all waste storage areas must be kept in a clean, tidy condition, and sufficient waste containers and services are to be provided to cater for the containment and removal of all waste generated on the site.

- 9.4 No contaminants are permitted to be released to land or water, including soil, silt, oils, detergents, etcetera. Any wash-down areas used for the maintenance or cleaning of equipment (including vehicles) must be appropriately bunded and drained to the sewer network in accordance with a trade waste permit, or otherwise approved in writing by Council's delegate.

- 9.5 Any spillage of environmentally hazardous liquids or other materials must be cleaned up as quickly as practicable. Any spillage of waste and/or contaminants must not be hosed or swept to any stormwater drainage system, road reserve or waters.

## **10.0 SERVICES**

- 10.1 Electricity and telecommunication services must be provided to the premises in accordance with the standards and requirements of the relevant service provider.

- 10.2 The existing water supply mains shall be extended to the subject site within the road reserve, and of sufficient length to facilitate direct connection from the premises to the water supply main, with capacity sufficient for the

development, including adequate pressure for firefighting purposes, in accordance with *Schedule 1, Division 3: Standards for Water Supply, Section 3.1(1)* of the Barcaldine Shire Planning Scheme or to or to other accepted and endorsed engineering standards.

10.3 The premises must be connected to Council's reticulated water supply in accordance with *Schedule 1, Division 3: Standards for Water Supply, Section 3.1* of Barcaldine Shire Planning Scheme or to other accepted and endorsed engineering standards.

10.4 On-site sewage treatment and disposal must be provided in accordance with the *Queensland Plumbing and Wastewater Code* and Council's plumbing and drainage policies. The on-site sewage treatment and disposal area must not be located within an existing water course or conflict with separation distances as detailed in the *Queensland Plumbing and Wastewater Code*.

## **11.0 CONSTRUCTION ACTIVITIES**

11.1 Erosion control measures and silt collection measures are implemented during the construction phase of development to ensure that environmental values are protected during construction activities.

## **12.0 ASSET MANAGEMENT**

12.1 Any alteration necessary to electricity, telephone, water mains, sewerage mains, and/or public utility installations resulting from the development or in connection with the development, must be undertaken and completed at no cost to Council.

12.2 Any damage to existing stormwater, water supply and sewerage infrastructure, kerb and channel, pathway or roadway (including removal of concrete slurry from public land and Council infrastructure), that occurs while any works are being carried out in association with this development approval must be repaired at full cost to the developer. This includes the reinstatement of any existing traffic signs or pavement markings that may have been removed or damaged.

## **ADVISORY NOTES**

A. *The Developer and his employee, agent, contractor or invitee is responsible for ensuring compliance with the conditions of this development approval.*

B. *Where these Conditions refer to "Council" in relation to requiring Council to approve or to be satisfied as to any matter, or conferring on the Council a function, power or discretion, that role may be fulfilled in whole or in part by a delegate appointed for that purpose by the Council.*

C. *Prior to commencing any construction activities, the applicant/developer will be required to obtain further development permits for building work, and plumbing and drainage work, as required under relevant legislation for this work.*

D. *This approval does not negate the requirement for compliance with all other relevant Local Laws and other statutory requirements. Any provisions contained in this approval relating to the enforcement of any of the conditions shall be in addition to all other rights, powers and privileges that the Council may possess or obtain, and nothing contained in these conditions shall be*

*construed so as to prejudice, affect or otherwise derogate or limit these rights, powers and privileges of the Council.*

- E. General environmental duty under the Environmental Protection Act 1994 prohibits unlawful environmental nuisance caused by noise, aerosols, particles, dust, ash, fumes, light, odour or smoke beyond the boundaries of the development site during all stages of the development including earthworks, construction and operation.*
- F. This development approval does not authorise any activity that may harm Aboriginal cultural heritage. It is advised that under section 23 of the Aboriginal Cultural Heritage Act 2003, a person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal cultural heritage (the "cultural heritage duty of care").*
- G. Please be advised that in instances, subject to reaching certain thresholds, 'metal recovery' constitutes an Environmentally Relevant Activity requiring an Environmental Authority under the Environmental Protection Act 1994. The operator is advised to ensure they are aware of their obligations to obtain an Environmental Authority in certain instances.*

**Extract of Appeal Provisions**  
(Chapter 6, Part 1 and Part 2 and Schedule 1 of the  
*Planning Act 2016*).

(2) The person is taken to have engaged in the representative's conduct, unless the person proves the person could not have prevented the conduct by exercising reasonable diligence.

(3) In this section—

*conduct* means an act or omission.

*representative* means—

(a) of a corporation—an executive officer, employee or agent of the corporation; or

(b) of an individual—an employee or agent of the individual.

*state of mind*, of a person, includes the person's—

(a) knowledge, intention, opinion, belief or purpose; and

(b) reasons for the intention, opinion, belief or purpose.

## Chapter 6 Dispute resolution

### Part 1 Appeal rights

#### 229 Appeals to tribunal or P&E Court

(1) Schedule 1 states—

(a) matters that may be appealed to—

(i) either a tribunal or the P&E Court; or

(ii) only a tribunal; or

(iii) only the P&E Court; and

(b) the person—

(i) who may appeal a matter (the *appellant*); and

(ii) who is a respondent in an appeal of the matter; and

- (iii) who is a co-respondent in an appeal of the matter;  
and
  - (iv) who may elect to be a co-respondent in an appeal of the matter.
- (2) An appellant may start an appeal within the appeal period.
- (3) The *appeal period* is—
  - (a) for an appeal by a building advisory agency—10 business days after a decision notice for the decision is given to the agency; or
  - (b) for an appeal against a deemed refusal—at any time after the deemed refusal happens; or
  - (c) for an appeal against a decision of the Minister, under chapter 7, part 4, to register premises or to renew the registration of premises—20 business days after a notice is published under section 269(3)(a) or (4); or
  - (d) for an appeal against an infrastructure charges notice—20 business days after the infrastructure charges notice is given to the person; or
  - (e) for an appeal about a deemed approval of a development application for which a decision notice has not been given—30 business days after the applicant gives the deemed approval notice to the assessment manager; or
  - (f) for any other appeal—20 business days after a notice of the decision for the matter, including an enforcement notice, is given to the person.

*Note—*

See the P&E Court Act for the court's power to extend the appeal period.

- (4) Each respondent and co-respondent for an appeal may be heard in the appeal.
- (5) If an appeal is only about a referral agency's response, the assessment manager may apply to the tribunal or P&E Court to withdraw from the appeal.

- 
- (6) To remove any doubt, it is declared that an appeal against an infrastructure charges notice must not be about—
- (a) the adopted charge itself; or
  - (b) for a decision about an offset or refund—
    - (i) the establishment cost of trunk infrastructure identified in a LGIP; or
    - (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

### **230 Notice of appeal**

- (1) An appellant starts an appeal by lodging, with the registrar of the tribunal or P&E Court, a notice of appeal that—
  - (a) is in the approved form; and
  - (b) succinctly states the grounds of the appeal.
- (2) The notice of appeal must be accompanied by the required fee.
- (3) The appellant or, for an appeal to a tribunal, the registrar, must, within the service period, give a copy of the notice of appeal to—
  - (a) the respondent for the appeal; and
  - (b) each co-respondent for the appeal; and
  - (c) for an appeal about a development application under schedule 1, table 1, item 1—each principal submitter for the development application; and
  - (d) for an appeal about a change application under schedule 1, table 1, item 2—each principal submitter for the change application; and
  - (e) each person who may elect to become a co-respondent for the appeal, other than an eligible submitter who is not a principal submitter in an appeal under paragraph (c) or (d); and

- (f) for an appeal to the P&E Court—the chief executive; and
  - (g) for an appeal to a tribunal under another Act—any other person who the registrar considers appropriate.
- (4) The *service period* is—
- (a) if a submitter or advice agency started the appeal in the P&E Court—2 business days after the appeal is started; or
  - (b) otherwise—10 business days after the appeal is started.
- (5) A notice of appeal given to a person who may elect to be a co-respondent must state the effect of subsection (6).
- (6) A person elects to be a co-respondent by filing a notice of election, in the approved form, within 10 business days after the notice of appeal is given to the person.
- (7) Despite any other Act or rules of court to the contrary, a copy of a notice of appeal may be given to the chief executive by emailing the copy to the chief executive at the email address stated on the department’s website for this purpose.

## 231 Other appeals

- (1) Subject to this chapter, schedule 1 and the P&E Court Act, unless the Supreme Court decides a decision or other matter under this Act is affected by jurisdictional error, the decision or matter is non-appealable.
- (2) The *Judicial Review Act 1991*, part 5 applies to the decision or matter to the extent it is affected by jurisdictional error.
- (3) A person who, but for subsection (1) could have made an application under the *Judicial Review Act 1991* in relation to the decision or matter, may apply under part 4 of that Act for a statement of reasons in relation to the decision or matter.
- (4) In this section—  
*decision* includes—

- (a) conduct engaged in for the purpose of making a decision; and
- (b) other conduct that relates to the making of a decision; and
- (c) the making of a decision or the failure to make a decision; and
- (d) a purported decision; and
- (e) a deemed refusal.

***non-appealable***, for a decision or matter, means the decision or matter—

- (a) is final and conclusive; and
- (b) may not be challenged, appealed against, reviewed, quashed, set aside or called into question in any other way under the *Judicial Review Act 1991* or otherwise, whether by the Supreme Court, another court, any tribunal or another entity; and
- (c) is not subject to any declaratory, injunctive or other order of the Supreme Court, another court, any tribunal or another entity on any ground.

## **232 Rules of the P&E Court**

- (1) A person who is appealing to the P&E Court must comply with the rules of the court that apply to the appeal.
- (2) However, the P&E Court may hear and decide an appeal even if the person has not complied with rules of the P&E Court.

## **Schedule 1      Appeals**

section 229

### **1      Appeal rights and parties to appeals**

- (1) Table 1 states the matters that may be appealed to—
  - (a) the P&E court; or
  - (b) a tribunal.
- (2) However, table 1 applies to a tribunal only if the matter involves—
  - (a) the refusal, or deemed refusal of a development application, for—
    - (i) a material change of use for a classified building; or
    - (ii) operational work associated with building work, a retaining wall, or a tennis court; or
  - (b) a provision of a development approval for—
    - (i) a material change of use for a classified building; or
    - (ii) operational work associated with building work, a retaining wall, or a tennis court; or
  - (c) if a development permit was applied for—the decision to give a preliminary approval for—
    - (i) a material change of use for a classified building; or
    - (ii) operational work associated with building work, a retaining wall, or a tennis court; or
  - (d) a development condition if—
    - (i) the development approval is only for a material change of use that involves the use of a building classified under the Building Code as a class 2 building; and

- 
- (ii) the building is, or is proposed to be, not more than 3 storeys; and
  - (iii) the proposed development is for not more than 60 sole-occupancy units; or
  - (e) a decision for, or a deemed refusal of, an extension application for a development approval that is only for a material change of use of a classified building; or
  - (f) a decision for, or a deemed refusal of, a change application for a development approval that is only for a material change of use of a classified building; or
  - (g) a matter under this Act, to the extent the matter relates to the Building Act, other than a matter under that Act that may or must be decided by the Queensland Building and Construction Commission; or
  - (h) a decision to give an enforcement notice—
    - (i) in relation to a matter under paragraphs (a) to (g); or
    - (ii) under the Plumbing and Drainage Act; or
  - (i) an infrastructure charges notice; or
  - (j) the refusal, or deemed refusal, of a conversion application; or
  - (l) a matter prescribed by regulation.
- (3) Also, table 1 does not apply to a tribunal if the matter involves—
- (a) for a matter in subsection (2)(a) to (d)—
    - (i) a development approval for which the development application required impact assessment; and
    - (ii) a development approval in relation to which the assessment manager received a properly made submission for the development application; or
  - (b) a provision of a development approval about the identification or inclusion, under a variation approval, of a matter for the development.

- (4) Table 2 states the matters that may be appealed only to the P&E Court.
- (5) Table 3 states the matters that may be appealed only to the tribunal.
- (6) In each table—
  - (a) column 1 states the appellant in the appeal; and
  - (b) column 2 states the respondent in the appeal; and
  - (c) column 3 states the co-respondent (if any) in the appeal; and
  - (d) column 4 states the co-respondents by election (if any) in the appeal.
- (7) If the chief executive receives a notice of appeal under section 230(3)(f), the chief executive may elect to be a co-respondent in the appeal.
- (8) In this section—

<b>Description of the Development</b>	Development Application (Code assessable) – Material Change of Use (Development Permit) for Storage Facility and Industry.
<b>Application number</b>	121819
<b>Address</b>	17 Jacaranda Road, Barcaldine
<b>Property description</b>	Lot 10 on RP606109
<b>Type of approval</b>	Development Permit for Material Change of Use
<b>Decision</b>	Approved in full with conditions
<b>Date of approval</b>	24 January 2019
<b>Reasons for Decision</b>	<p>a) The Storage Facility and Industry use is a supported use in the Industrial Zone.</p> <p>b) Through conditioning, the proposed development will ensure logical access arrangements to adjoining land without legitimate access.</p> <p>c) Through conditioning, the applicational material will be improved by amended approved plans that will detail compliance with the Planning Scheme.</p> <p>d) The site is serviced by all necessary utilities and access and parking is provided in accordance with Council standards.</p> <p>e) The site is not affected by any Land Characteristics Maps and will not result in off-site impacts that may affect these mapped local planning interests.</p> <p>f) The development does not compromise the relevant elements of the Central West Regional Plan and State Planning Policy.</p>
<b>Assessment Benchmarks</b>	<p>The Proposed Development was assessed against the following assessment benchmarks:</p> <ul style="list-style-type: none"> <li>▪ Industrial Zone Code – Part 4 of the <i>Barcaldine Shire Planning Scheme 2006</i> (Version 2, effective from 29 November 2013)</li> </ul>
<b>Compliance with Benchmarks</b>	<p>The development is assessed against the assessment benchmarks listed above and complies.</p> <ul style="list-style-type: none"> <li>▪ The purpose of the Industrial Zone Code is encompassed by a set of outcomes prescribed under section 4.5.3.3 of the Planning Scheme. No Conflicts were identified with the Code's.</li> <li>▪ No conflicts were identified upon assessment of the proposal against the finer-grained elements of the Code, being the Performance Criteria. These criteria are identified as follows (note there are no corresponding Acceptable Solutions):</li> <li>▪ The proposal complies with the balance of assessment benchmarks</li> </ul>

	prescribed in the Code, which is attributed to the proposed Storage Facility and Industry use being a supported land use in the Industrial Zone.
<b>Matters prescribed by Regulation</b>	-The Central West Regional Plan, to the extent the Regional Plan is not identified in the Planning Scheme as being appropriately reflected in the Planning Scheme; -The State Planning Policy, to the extent the SPP is not identified in the Planning Scheme as being appropriately reflected in the Planning Scheme; -Any development approval for, and any lawful use of, the premises or adjacent premises; and -The common material.
<b>Relevant matters for impact assessable development</b>	Not applicable – the proposal was subject to code assessment.
<b>Matters raised in submissions for impact assessable development</b>	Not applicable – the proposal did not require public notification.
