BARCALDINE REGIONAL COUNCIL
AGENDA FOR SPECIAL MEETING 26 JUNE 2024

BARCALDINE REGIONAL COUNCIL

Our Vision – A positive, sustainable and innovative regional council.

Our Mission – To provide excellence for the community.

Prayer

Almighty God

We acknowledge that we have a responsibility to look after your creation, especially this region we call Barcaldine Regional Council.

We are conscious that our decisions are going to affect deeply the people we have come here to serve.

Assist us to exercise respect for Councillors, staff and for the people of our region.

Help us in this meeting to act wisely, justly and intelligently in all our deliberations.

Thank you Lord for the privilege of both leading and serving and assist us to do these well.

Amen

Condolences

Apologies

Acknowledgment of Traditional Owners

Declarations of Prescribed Conflicts of Interest

Declarations of Declarable Conflicts of Interest

BARCALDINE REGIONAL COUNCIL
AGENDA FOR SPECIAL MEETING 26 JUNE 2024

Council Meeting Date: 26 June 2024

Item No: 1.2.1

Subject Heading: Annual Operational Plan 2024-2025

Author and Title: Daniel Bradford, Acting Chief Executive Officer

Classification: (if confidential)

Summary: From the Acting Chief Executive Officer, tabling the Annual Operational Plan 2024-2025.

Officer's Recommendation: That Council adopts the Operational Plan 2024-2025.

Background

Our Operational Plan 2024-2025 forms an important part of Council's strategic planning and sets a guide for the work Council plans to deliver over the next 12 months, working to the achieve goals and outcomes we envision.

This Operational Plan aligns to Council's Corporate Plan 2021-2026, which sets Council a long-term vision and five-year roadmap.

The *Local Government Act 2009*, supported by the Local Government Regulation 2012, requires Council to prepare and adopt an operational plan for each financial year that:

- Is consistent with the annual budget
- Demonstrates how it will progress the implementation of the corporate plan, and
- States how Council will manage operational risks.

Council may amend the Operational Plan by resolution during the year in response to changes in the environment, including to address emerging risks and challenges or to realise opportunities.

Link to Corporate Plan

Theme 5: Governance

We will have a safe, engaged, proud and performing council and workforce that is inclusive, innovative, ethical and trusted by all levels of government.

Operational Plan

2024/25

Welcome

Our Operational Plan 2024-25 forms an important part of Council’s strategic planning and sets a guide for the work Council plans to deliver over the next 12 months, working to the achieve goals and outcomes we envision.

This Operational Plan aligns to Council’s Corporate Plan 2021-2026 which sets Council a long-term vision and five-year roadmap.

The Local Government Act 2009 supported by the Local Government Regulation 2012 requires Council to prepare and adopt an operational plan for each financial year that:

- is consistent with the annual budget,
- demonstrates how it will progress the implementation of the corporate plan, and
- states how Council will manage operational risks.

Council may amend the Operational Plan by resolution during the year in response to changes in our environment including to address emerging risks and challenges or to realise opportunities.

About Our Region

Centrally located in Queensland, the Barcaldine region covers an area of just over 53,382 km². The region is home to the five townships of Alpha, Jericho, Barcaldine, Aramac and Muttaborra. With a population of 2,849 people our residents enjoy a relaxed lifestyle, with great people and a strong sense of community. With access to quality education, sporting and cultural activities and facilities our region supports a healthy, active, community-centered lifestyle for all residents with particular emphasis on families and children.

The economy has traditionally centered on agriculture, with a resilient and robust grazing industry producing high quality wool and beef since the 19th century. Sustained periods of drought have severely curtailed expansion and operational activities for grazing, however significant investment in both technology and modernising infrastructure along with renewed land development has positioned the region to be at the forefront of recovery in agriculture into the future.

The Barcaldine region is emerging as an energy hub with significant investment planned in 2025 and beyond. The region and its residents benefit from unique and significant natural environments including diverse land-based ecosystems and habitats. A growing tourism industry has developed supported by our heritage, Indigenous culture, recreational opportunities, natural landscapes and characters of the region. The region has a variety of accommodation options and is particularly attractive to both Grey Nomads as well as younger travelers.

With access to major highways running north, south, east and west, airports and railway lines and well supported by small businesses and public services, the region is ready to welcome further investment opportunities in agriculture, manufacturing, solar renewable energy, coal, coal seam gas and tourism infrastructure over the next ten years.

Acknowledgement

Barcaldine Regional Council acknowledges the traditional custodians of the land on which we operate. Council would like to note our respect for their elders, past, present and emerging.

Status

This Operational Plan was adopted on Date 26 June 2024

Table of Contents

| | |
|---|-----------|
| Our Vision, Mission and Values | 5 |
| Our Structure | 6 |
| Strategic Themes | 7 |
| Key Business Initiatives | 8 |
| Key Performance Indicators | 10 |

Our Vision, Mission and Values

Our Vision

A positive, sustainable and innovative regional council

Our Mission

To provide excellence for the community

Our Values

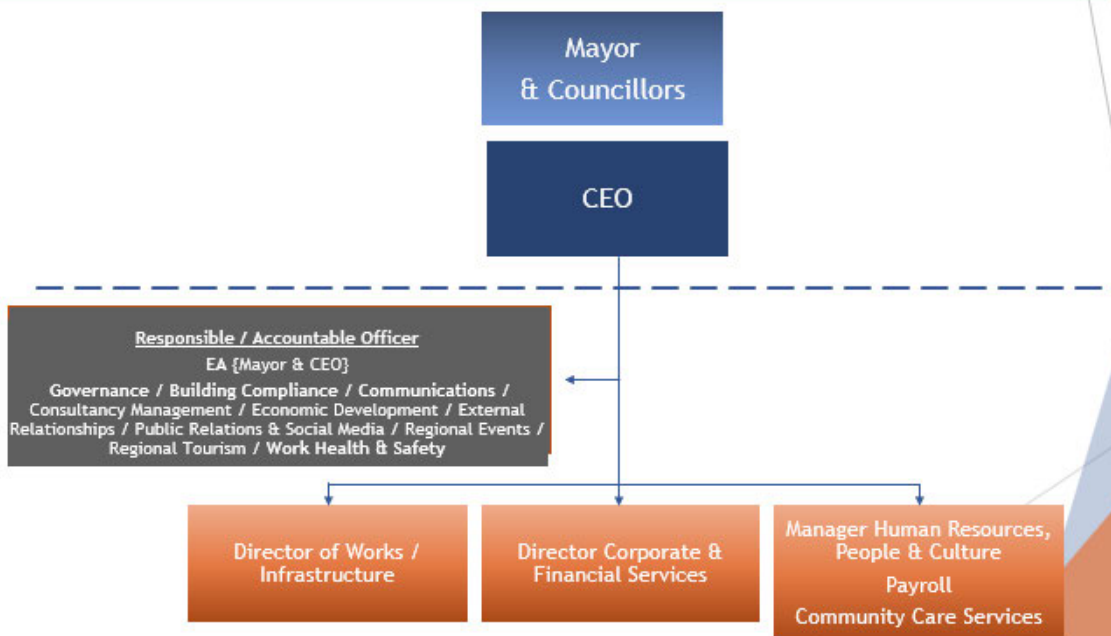

Our Structure

Our elected Council consists of the Mayor and six (6) Councillors. Our structure is set by Council and is overseen by the Chief Executive Officer (CEO), who is responsible directly to the elected Council.

Executive Support / Functional

Strategic Themes

Council has five major outcomes, each supported by a number of strategies. Each outcome represents a major functional area of Council and is the basis upon which the operational plan and budget are prepared:

1. Community

2. Services

3. Transport

4. Economy

5. Governance

Key Business Initiatives

Key business initiatives (KBI's) represent the important activities council is undertaking this year to work towards the achievement of the Corporate Plan 2021-2026. The KBI's take into consideration the alignment with strategy, competing priorities, resources, procurement, planning and consideration for phasing activities for a number of periods.

Theme 1: Community

Our communities have the infrastructure and programs to support safe, healthy living, welcome and retain new people to the region, provide affordable access to technology and culture and build resilience.

- Develop an advocacy strategy to guide council's lobbying and advocacy efforts including identifying key focus areas, relationship management requirements, and resourcing needs.
- Development of Local Government Infrastructure Plan (LGIP) for the Barcaldine Township area.
- Establish a grant management function
- applications and alignment with council's strategic priorities
- Delivery of phase 1 (part A) of the masterplan including: Barcaldine Rec Park
- Establish a Local Laws compliance program to see property inspections across the region undertaken for compliance with local laws.

Theme 2: Services

Our townships continue to be provided with compliant and sustainable water, sewerage and waste services. In the absence of other alternative providers we continue to provide quality community support services on a cost neutral basis.

- Finalisation of the asset management improvement strategy including delivery of identified initiatives for 2024/2025 for the water and sewerage asset management classes.
- Design, procurement and begin delivery of necessary Barcaldine Sewerage Treatment
- Plant upgrades to meet legislative requirements.
- Finalise upgrade to the Barcaldine landfill.

Theme 3 Transport

Our communities will have safe, affordable and reliable infrastructure to travel within, between and beyond our towns. We will continue to be a contractor of choice for the Department of Transport and Main Roads.

- Complete the Barcaldine-Aramac Widening Project for ch24.88-30km.
- Secure the Beef Roads funding for the Alpha-Clermont Road and Alpha-Tambo Road
- Finalisation of the asset management improvement strategy including delivery of identified initiatives for FY25.
- Complete the entire Flood Damage Works package for the reconstruction of essential public assets funding that has been received by Council from the January 2023 event.
- Undertake planning, community consultation, design and commence delivery of the Gordon Street revitalisation in Aramac.

Theme 4 Economy

Our partnerships, policies and processes will encourage new and support existing economic opportunities across the region. Our agricultural, tourism, renewable energy and closed loop sectors continue to be supported through relevant programs and targeted infrastructure.

- Continue supporting the Barcaldine Renewable Energy Zone project.
- Ensuring a consistent, modern, risk-based approach is taken to the region's biosecurity through localisation of the Central West Regional Biosecurity strategy.
- Development of a regional housing and development strategy to facilitate a coordinated approach to address council and community accommodation requirements including best use and development of council's land reserves, developer support, and funding advocacy.

Theme 5 Governance

Develop a workforce plan to support talent management, succession planning and service delivery throughout the region.

- Embedding of council's risk management framework in day-to-day operations
- Development of a fit-for-purpose project governance framework
- project planning, evaluation and prioritisation
- forecasting of capital cashflow,
- Respond to any outcomes from workplace health and safety audit.
- Implementation of Phase 1 of the Enterprise Resource Planning (ERP) system.
- Implementation of a customer service system to support the capturing, resolution of, and reporting of customer service requests.
- Develop a community communications and consultation strategy to guide council's community engagement process including consideration of stakeholder requirements, engagement mediums, inclusivity, and effectiveness measure

Key Performance Indicators

Councils measure of success are essential to tracking councils progress towards achieving the goals in the Corporate Plan 2021-2026

Goal 1 - Community

| KPI | Definition | Target |
|--|--|--------------------------------|
| Support of art and cultural activities | Promote and distribute the allocation of funding from the RADF program | >95% allocation of funding |
| Community Satisfaction with Council Services | Undertake a community satisfaction survey and measure the responses. Initial feedback should be established to inform future service focus | Establish Baseline measurement |

Goal 2 -Services

| KPI | Definition | Target |
|--|---|--|
| Community care programs | Community care programs (eg, NDIS) are undertaken in accordance with specified quality standards and requirements (ie, without need for any compliance rectification actions to be undertaken). | 100% compliance with program guidelines ensuring continued funding of services |
| Drinking water adequacy and quality – compliance | Compliance with the Australian Drinking Water Quality Guidelines for health and aesthetic values. | <10 |
| Drinking water adequacy and quality – complaints | Annual number of drinking water quality complaints per 1,000 properties. | <100 |
| Drinking water adequacy and quality – incidents | Drinking water quality incidents per year. | <5 |
| Sewage overflows – customer property | Sewage overflows to customer property per 1,000 connections/year. | <5 |
| Sewage odour complaints | Odour complaints per 1,000 connections/year. | <10 |

Goal 3 - Transport

| KPI | Definition | Target |
|--|---|----------------------------|
| Delivery of grant funded projects | All grant funded works completed within specifications and agreed timelines. | 100% complete |
| Department of Transport and Mains Roads (DTMR) contract delivery | All contract works for DTMR completed within specifications and agreed timelines. | 100% complete |
| Airport safety | Safety audits conducted by the Civil Aviation and Safety Authority (CASA). | Audits successfully passed |

Goal 4 - Economy

| KPI | Definition | Target |
|---|--|----------------|
| Supporting existing businesses and industries | Under the Small business council initiatives | >3 Initiatives |
| | Procurement spent with locally based businesses. | < 50% |

Goal 5 - Governance

| KPI | Definition | Target |
|---------------------------|---|--------|
| Key business initiatives | Achievement of Key Business Initiatives (KBIs). | 100% |
| Staff turnover rate | Ratio of the number of employees who have left the organisation (for whatever reason) to the average total number of employees x 100. | <20% |
| Staff performance reviews | Annual performance reviews are conducted for all staff. | 100% |

| KPI | Definition | Target |
|---------------------------------------|---|--|
| Workplace health and safety | Reduction in lost time injuries | >20% |
| Regional council meetings | Holding of council meetings with the region, outside of Barcaldine. | Minimum of four meetings |
| Community consultation | Undertake community consultation workshops across the region. | Minimum of two workshops per community |
| Improvement in social media following | Growth in council's social media following across the following social media platforms (mediums to be listed). | >100% |
| Renewal of council plans and policies | Policies and plans are reviewed in accordance with the timelines included in the policy review framework. | 100% |
| Operating cost ratio | Operating as ratio (operating result/total operating revenue). | > 10% |
| Unrestricted cash expense cover ratio | (Total cash and equivalents <i>add</i> current investments <i>add</i> working capital facility <i>less</i> externally restricted cash)/(Total operating expenditure <i>less</i> depreciation and amortisation <i>less</i> finance costs). | > 4 months |
| Capital expenditure spend | Actual capital expenditure compared to adopted annual budget | 70% to 100% of budget |
| Capital expenditure delivery | Number of budgeted projects delivered in the year | ≥70% of budgeted projects |
| Financial statements and audit | Achieve an audit opinion that is not subject to qualification (ie, adverse opinion or a disclaimer of opinion) | No qualification |
| | Financial statements and audit are completed within statutory timeframes | 31 October 2024 |
| Rates arrears | Percentage of rates outstanding to total value of rates issued | <7 % |

BARCALDINE REGIONAL COUNCIL
AGENDA FOR SPECIAL MEETING 26 JUNE 2024

Council Meeting Date: 26 June 2024
Item No: 1.2.2
Subject Heading: Fees and Charges 2024-2025
Author and Title: Daniel Bradford – Director Corporate
and Financial Services
Classification: (if confidential)

Summary: This report presents for Council's consideration, the 2024-2025 Fees and Charges Register. This register includes Cost Recovery Fees and Charges. The Fees and Charges are reviewed annually with their adoption aligned with the 2024-2025 budget.

Officer's Recommendation: That Council adopts the 2024-2025 Fees and Charges, effective from 1 July 2024 as attached to this report.

Background

Council, as a matter of process, reviews its fees and charges annually as part of the budget process. These fees generate revenue of approximately \$3 million per year for Council. Section 97 of the *Local Government Act 2009* provides for Council, the ability to charge cost recovery fees and Section 262 provides for Council to charge for services and facilities which are not cost recovery fees.

As part of the budget process, Council has considered the current financial impacts on its operations and looked forward at the challenges in the future. Inflation for the year to March 2024 was 3.6% and with consideration of labour increases, it is recommended that a general overall increase of 4% to the fees and charges is appropriate. A copy of the Register of Fees and Charges 2024-2025 is in the attachment of this report.

Variances from the overall increase and changes to the fee structures are explained in the summary below:

- Age Care – a fee has been removed relating to an exit fee.
- Equipment Hire – hire of equipment is at Council's discretion and approval. Additionally, the delivery and collection of equipment now is subject to availability of Council's staff and plant and on the basis of cost plus 30%. Also, the 20-seater bus is no longer owned by Council and has been removed from the item list.
- Recoverable works costs for plant and equipment will now be on a cost plus 30% basis rather than a schedule of rates.
- Renewal fees for licensing is due by 31 October 2024.
- Planning fees have a few minor amendments to the fee calculation, based on the wording the new Planning Scheme adopted in August 2023.
- A new fee has been added for the Local Laws to enable Council to charge an administration fee as part of the local laws enforcement action under Council's Local Laws.
- Council housing rent has increased to align with pensioner rates, this represents a 22%-30% increase.

BARCALDINE REGIONAL COUNCIL
AGENDA FOR SPECIAL MEETING 26 JUNE 2024

- The tent site has been removed from the camping fees due to the services accessible by people using tents is equal to that of other campers.
- Horse paddock horse agistment fees have been removed for fees to align with on the Town Common.
- Animal fees see a change to the three-year registration for dogs. The three-year option for the first and second dog has been removed and replaced with a lifetime registration, this fee is not refundable.
- Council house rent has been increased in line with the overall increase, however a further review of the strategy for Council housing will be undertaken in 2023-2024.

Link to Corporate Plan

Theme 5: Governance

Consultation (internal/external)

The Register of Fees and Charges has been developed in consultation with Councillors and senior staff. The input from these conversations has been reflected in the attached proposed fees and charges.

Policy Implications

The considerations in this report do not directly impact current Council policies. The fees and charges in some cases may be as a result of Council's policies adopted by Council, with only the rate of these fees and charges being considered where this is the case.

Budget and Resource Implications

The Register of Fees and Charges 2024-2025 is a key document for Council in 2024-2025. This document sets out the fees and charges to be incurred for the various services provided by council which are charged on a commercial and cost-recovery basis. The expected revenue from these fees and charges is approximately \$3 million for 2024-2025.

Risk Management Implications

The preparation of the Register of Fees and Charges is in accordance with appropriate legislation. The impact of these fees and charges is not a treatment of a specific organisational risk, however in some instances does allow for some revenue to fund services and obligations which do have risks controls in place. Without the fees and charges in these instances, Council may need to consider alternative funding sources for these community services and obligations or reconsider its risk appetite.

Asset Management Implications - Nil

Legal Implications

This report and Register of Fees and Charges has been prepared in accordance to requirements set out in the *Local Government Act 2009* and Local Government Regulation 2012. Fees and Charges set out in this Register also include those authorised under various other pieces of legislation as noted in the Register.

BARCALDINE REGIONAL COUNCIL
AGENDA FOR SPECIAL MEETING 26 JUNE 2024

Council Meeting Date: 26 June 2024
Item No: 1.2.3
Subject Heading: Request for Assistance – Jericho State School
Author and Title: Karyn Coomber, District Manager –
Alpha and Jericho
Classification: (if confidential)

Summary: This report is presented to Council for consideration to be given to provide a water solution to the Jericho State School's Oval Upgrade Project.

Officer's Recommendation: That Council agrees to provide access to non-potable water from existing bore behind the Jericho State School Oval.

Background

Jericho State School had previously requested Council's support to provide access to non-potable water from the existing bore in Davy Street. This proposal was successful however, at the time the school was unable to provide the necessary funds to proceed with the water connection and subsequently withdrew their request.

Jericho State School has been successful in their application for the Go for Gold grant and have been awarded \$500,000 for the oval upgrade project. Jericho State School Parents and Citizens Association have also been successful in securing a grant for \$2,000 to assist in connecting water to the school and existing tank.

The school is seeking a waiver of water costs to assist in getting this project off the ground.

The Council currently do not charge for non-potable water in our Fees and Charges.

The original quote that was provided by our Senior Works Supervisor – Kevin Wiltshire, in consultation with our plumber Mark Franklin, is as follows:

Jericho Bore to School Boundary fence.
Supply and install 297m of 90mm HDPE pipe plus fittings.
Price: Materials – \$12,000
Labor – \$8,000
TOTAL – \$20,000

The school would be responsible for connecting the water from the school boundary to their existing tank.

An upgrade to the oval would see the potential for future school sports and inter-school sports carnivals. Alpha State School have indicated an interest in attending athletics carnivals hosted by Jericho State School, this event has not been held in over 20 years.

BARCALDINE REGIONAL COUNCIL
AGENDA FOR SPECIAL MEETING 26 JUNE 2024

Jericho does not currently have an oval/green space for community gatherings, events and markets. This would be a good space that allows community access to hold such events. The future use of the oval could also cater for the school's fun/color run and community events i.e. a cricket day, park run.

The proposal is to use non-potable water to reduce the necessity of the water going through the water treatment plant.

Jericho State School will maintain the oval at no ongoing cost to the Council.

Link to Corporate Plan

Theme 1: Community

- Have inviting green spaces in built up areas for rest, recreation and wellbeing.
- To bring the community together in a social environment.

Consultation (internal/external)

Senior Works Supervisor and Plumber

Policy Implications

Nil

Budget and Resource Implications

Not currently budgeted, propose use of surplus funds in Capital Budget.

Risk Management Implications

No additional pressure on the Water Treatment Plant as the water is connected to the bore.

Asset Management Implications

Capital item, which will depreciate.

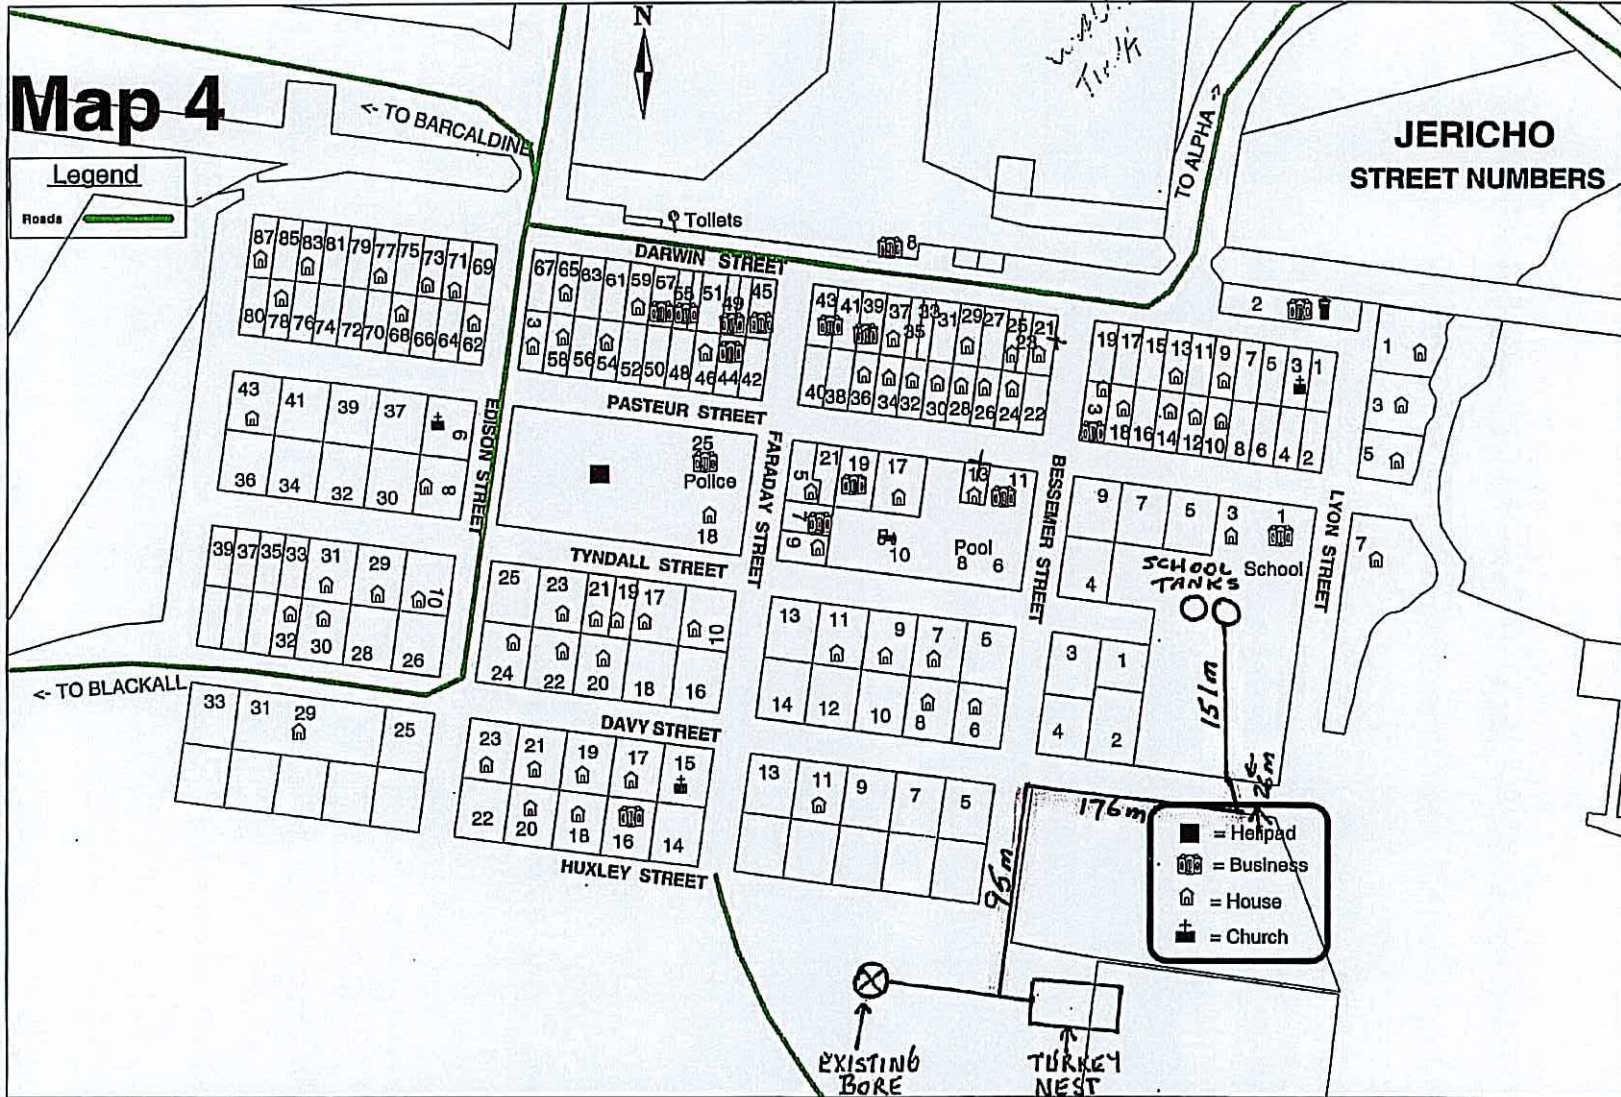

Legal Implications

Nil

Dear Mayor and Councillors

I hope this message finds you well. I am writing to follow up on my previous proposal regarding the connection of the town bore water to Jericho State School for the purpose of upgrading the school oval. I am pleased to inform you that the school has recently been announced as a recipient of the prestigious Go for Gold grant, amounting to \$500,000, specifically designated to boost the oval upgrade project.

The Jericho State School oval has in the past served as a recreational space for our students, residents, and visitors alike. However, over time, the absence of a water connection has limited the school's ability to maintain the oval to a satisfactory standard. As a result, the condition of the oval has deteriorated, affecting the quality of sporting activities and community events able to be hosted on the grounds.

In addition to the immediate benefits for the school and community, this initiative aligns with broader objectives related to health, education, and community development. A vibrant and accessible outdoor space fosters a sense of pride and belonging among residents, contributes to the physical and mental well-being of individuals, and promotes a culture of active living.

In conclusion, I respectfully request the Barcaldine Shire Council's support in connecting the bore water to Jericho State School for the purpose of upgrading the oval as well as an in-kind continuation for water supply to provide sustainability to the project. Your commitment to this initiative will not only enhance the educational and recreational facilities in our township but also demonstrate the council's dedication to the well-being and prosperity of its residents.

Thank you for considering this proposal. I look forward to the opportunity to discuss this matter further and collaborate on the successful implementation of this project.

Kind Regards

Kim Robinson

JERICHO STATE SCHOOL P&C ASSOCIATION

Barcaldine Regional Council

Dear Rob Chandler and Councillors

Subject: Expression of Interest to reinstate proposal of Water Supply to Jericho State School Oval

I am writing on behalf of the Jericho State School P&C to express our interest in reinstating your assistance in providing water to the back boundary of the Jericho State School Oval. Previously, the school has requested to use the unmetered water available at the town bore on Davy Street.

We are pleased to inform you that the Jericho State School P&C has recently been successful in securing a grant through CRT, providing us with \$2000 to be used towards the materials required for initiating the process of connecting water to the school and existing tank. With your esteemed council's support, we aim to facilitate the water supply through the unmetered bore at the back boundary of the school.

Additionally, Kim Robinson, the Principal of Jericho State School, has also since applied for a grant Go for Gold and was successful. This grant allocates sufficient funds to complete the originally intended upgrade of the school oval.

We are kindly writing this letter in support of the Principal of Jericho State School and request your consideration of proposal to reinstate the assistance in water supply, which will greatly benefit the school and the community. Your support in this matter is highly appreciated.

Thank you for your time and consideration.

Sincerely,
Lucy Colahan
Jericho State School P&C - President
