Important Council Notices

Wash Down Bay

A clean up and minor upgrade is currently being undertaken at the Wash Down Bay. Please be mindful to place all rubbish in the wheelie bin provided at this location.

Aramac Rubbish Tip

Council is attempting to clean up the tip and its surrounds. In the next few weeks temporary fencing will be erected around the dump site. Please be mindful when you dispose of paper and plastic bags to place them in an appropriate container such as a rubbish bin liner. This will assist in keeping the rubbish contained in the tip area.

Dumping at "Dead Man's Hill" is not permitted

Please note that dumping rubbish at the old "Dead Man's Hill" site is not permitted. Rubbish left in this area causes safety issues and poses a danger to the public. Council's Aramac Refuse Site is the only place where rubbish can be dumped and you are asked to place items in the sign posted areas.

Zephyr is an amazing charity that supports children arriving in shelters as victims of domestic and family violence. Many of these children arrive with very little and have left home urgently. Zephyr helps them get back into education quickly by kitting them out with school uniforms, books, shoes and swimming gear that helps them not fall behind and settle in to their new school. Incredibly, they have supported over 300 children already in 2018
