COUNCIL NOTICES

Horses on Council controlled land or paddocks

All residents who don't have a current agreement with Council to have their horses on Council controlled land or paddocks are reminded that their horses were to be removed from this land and relocated to the Town Common by 5 January 2018.

If you require assistance through the drought, permission to use any Council controlled land must be made by contacting Council's Aramac office, 4652 9999.

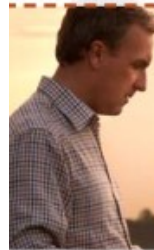

Please note; the Town Common is closed therefore no new applications will be received.

Burning refuse at the dump is strictly prohibited

Residents are reminded that burning refuse at the Aramac and Muttaborra dumps is strictly prohibited. Offenders may be fined.

PROPERTY COMPUTER MAPPING WORKSHOPS

AgForce Queensland in conjunction with *GrazingFutures* is proud to be delivering property computer mapping workshops for producers.

Spend a day with our mapping professionals at this workshop to get you started on your property map.

Computer mapping is one of the most effective property management tools available to producers, helping to improve productivity and planning and achieve best management practice standards.

What producers will receive:

- » Learn the advantages of using a property map as a management tool;
- » Set up your own map project;
- » Draw property infrastructure e.g. paddocks, fences & water points;
- » All day training with qualified mapping professionals;
- » Linking GPS device to property map and program;
- » Elevation Data and 3D mapping;
- » Property data analysis demonstration: buffering objects for planning and monitoring; and
- » Take home property data and the up-to-date government vegetation mapping layers and elevation data.

Blackall - Tuesday 07 August 2018
Aramac - Wednesday 08 August 2018
Hughenden - Friday 10 August 2018

\$30
per person
