## Road Safety Week

Congratulations Aramac community with your help our roads continued to be safe during Road Safety Week with no serious incidents reported on our roads.

It was pleasing to see that all road users understood the message and obeyed the road rules as such there were no Infringement Notices issued, well done people.

Aramac Police encourage all road users to stay abreast of changes to the road rules by accessing a full list of road rules at <https://www.tmr.qld.gov.au/Safety/Queensland-road-rules>. At the bottom of the web page there is a link titled 'Road rule refresher quiz', this is a perfect way to test your current knowledge about the road rules.

Aramac Police strongly encourage all road users to adopt the mindset that every day is about road safety. Only with your help we can keep our roads and communities' safe.
